PROCEEDING MEMO

MATTER: #63 - Motion for Leave to File Notice of
Request for Loss Mitigation
#65 - Response of Fay Servicing In Opposition
To Debtor's Motion

APPEARANCES:

Debtor:	Matthew M. Herron
U.S. trustee:	Owen Katz
Fay:	James C. Warmbrodt

NOTES:

Herron: This is the second request for LMP. The first request was approved but the debtors fell a few hundred dollars shy. The plan would fail absent LMP because the arrears on the plan are approximately \$70,000.

Court: Why were the payments short?

Herron: There was some confusion as to the amount on the wage attachment.

Warmbrodt: The objection was based on the grounds of feasibility. The present motion does not indicate why the payment would be feasible now when it was not before.

Court: What is the payment history?

Katz: The payments are current under the plan.

OUTCOME:

1. The Motion for Leave to File Notice of Entry into Loss Mitigation Program [Dkt. No. 63] is granted (O/E).
